The Department of Health Services (DHS) Medical Review Branch continues to issue replacement Medi-Cal Benefits Identification Cards (BICs) in an ongoing effort to nullify BICs that may have been stolen or misused. As a general safeguard, there is a claims payment requirement when determining recipient eligibility for use of all but select drugs and services. This claims payment requirement was outlined in the July 2003 *Medi-Cal Update* in an article titled "Benefits Identification Card: Billing Reminder" and is repeated as follows.

When verifying eligibility for recipients who receive new cards, the Automated Eligibility Verification System (AEVS) will return the eligibility message, "For claims payment, current BIC ID number and date of issue required." Providers must have and use the BIC ID number and issue date from the new card when verifying recipient eligibility. All but excluded providers must have and use the BIC ID number and issue date from the new card when submitting claims for reimbursement. If the BIC ID number and issue date of the new card are not on the claim for recipients whose card returns the message, "Current BIC ID number and issue date required for payment," the claim will be denied.

*Please see **Benefits**, page 2*

**Benefits** (*continued*)

The following provider types are not required to provide an issue date on the claim and may bill with either the recipient's Social Security Number or BIC ID number: Emergency Air Ambulance Transportation, Alternative Birthing Centers, Community Hospital Inpatient, Community Hospital Outpatient, County Hospital Inpatient, County Hospital Outpatient, Genetic Disease Testing, Emergency Ground Transportation, Certified Hospice, Long Term Care Facility and Mental Health Inpatient. For all other provider types, the ID number and issue date of the card must be placed on all claims, as follows:

- **Paper Claims:** Enter the BIC ID number in the *Insured's ID Number* field (Box 1A). Enter the issue date in the *Reserved For Local Use* field (Box 19) of the claim. Identify the issue date in the "mmddyy" format.
- **CALPOS Pharmacy Claims:** Enter the BIC ID number in the *Recipient ID* field. The issue date must be placed in the *Issue Date* field per the current *Medi-Cal Point of Service Network Interface Specifications* for CALPOS pharmacy claims.
- **Computer Media Claims (CMC):** Enter the BIC ID number in the *Recipient ID* field. The BIC issue date must be placed in the *Remarks* area. Left-justify and enter the words "BIC ISSUE DATE" and identify the issue date in the "mmddyy" format.

For assistance with eligibility, the Automated Eligibility Verification System (AEVS), Point of Service (POS) device or Medi-Cal Web site, [www.medi-cal.ca.gov](http://www.medi-cal.ca.gov), call the POS/Internet Help Desk at 1-800-427-1295. If illegal use of a BIC is suspected, or if there are questions about this policy, call the Provider Support Center (PSC) at 1-800-541-5555.

**Use of Modifiers: Billing Reminder**

Up to four two-character modifiers may be entered in the modifier fields, Box 24D of the *HCFA 1500* or Box 44 of the *UB-92 Claim Form*. All modifiers must be entered immediately after the procedure code. Information that overflows into other fields (especially additional modifier fields) will cause the claim to suspend and a *Resubmission Turnaround Document* (RTD) will be issued.

Specific modifiers identified in the billing instructions should be entered in the first modifier field.

When providers bill multiple modifiers for a service not specified in the Medi-Cal billing instructions as needing multiple modifiers, providers must follow existing Medi-Cal policy and enter the specific modifier in the first modifier field. If the billing instructions require a service to be billed with a specified modifier, that modifier must be entered in the first field.
